

# Mini-tag Protector [HANDLING MANUAL]

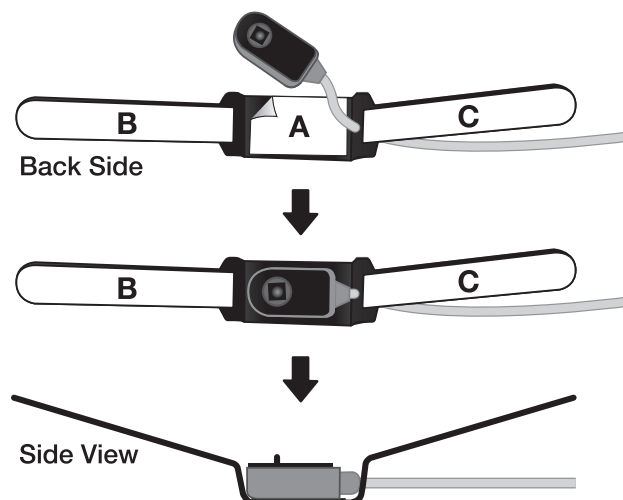

This is a Protection Seal which ensures easy and stable installation of New Mini Tag to the merchandise of cylindrical shape, such as Camera Replacement Lens, Beauty Treatment Device, Hairdressing Equipment, etc.

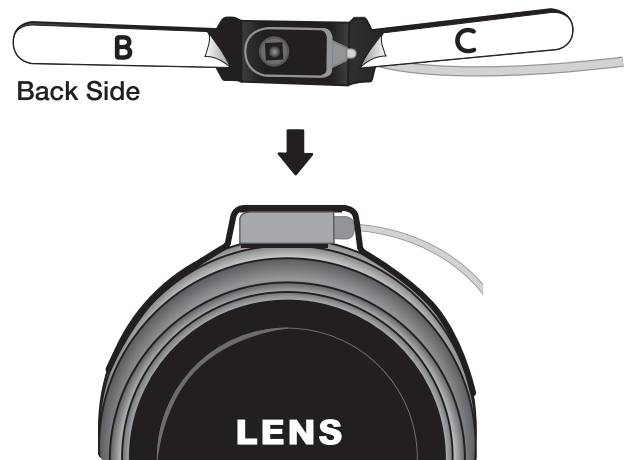

**1. Pass a cable of Tag to a hole of Protection Seal through a slit.**

**2. Remove backing paper on the center of Protection Seal (A) and securely install New Mini Tag.**

**3. Remove backing paper of both sides of Protection Seal (B & C) and securely place on the merchandise.**

## NOTE

- Use genuine Double Sided Adhesive Tape for Chaser New Mini Tag Protection Seal.
- Merchandise with rough installation surface and of special materials such as Polyurethane, Rubber, etc. may possibly fail in firm attachment.
- Utility Model Registration Applied
